Have you written a book and want advice on what to do next? This manual teaches authors to convert and sell books as ebooks at no cost, create blogs, websites, cover design, convert formats, upload to major retailers, maximize search rankings, sell with PayPal buttons and more. This book shows authors how to make market and sell ebooks all for free. Highly instructional, a valuable read.

Save hours of worry. This book has been written as a tutorial for authors wanting to publish ebooks using Lulu's book publishing services. It provides some simple to understand details on the structure of EPUBs and describes some of the tools used to create them. The tutorial also shows how to validate EPUBs on your own PC before even attempting to upload them to Lulu. It also describes how to use the Lulu EPUB publishing wizard and EPUB converter. The guide includes many fault-finding tips to deal with some of the Lulu error messages and other common errors. Updated December 2013 with the latest important and helpful fault-finding tips and information.

The print on paper book industry under threat as never before. This threat was exposed in a study by Barclay's Capital which suggested that a quarter of all worldwide book sales in 2015 will be made up of ebooks. The explosive growth of ebook publishing has serious ramifications for all bricks and mortar libraries, bookstores, and the entire supply chain which supports them. Indeed, the rationale for their very existence is under threat. This book will help publishers and authors understand the paradigm shift that is taking place. Unfortunately, the nascent ebook industry operates in a tower of Babel with different ebook reading languages, on competing devices, offered
