presents an introduction to the basic principles and techniques of drawing with instruction on depicting such subjects as flowers trees landscapes buildings animals and people

how to draw in a nutshell by popular pencil artist jasmina susak this book is about drawing for beginners and it is helpful to those interested in developing basic knowledge and skills it is concise clear no wasted words very easy to understand and well written in a friendly way filled with encouragement and complemented with a lot of illustrations this book features verbal and visual explanations which makes the learning much easier and successful the author contends that drawing and shading are skills that anyone can develop through patient practice and a lot of time spent on drawing even with no special talent for it why should you choose this book over the hundred others of the same topic because the author will teach you to draw realistic lifelike drawings to give a life to your drawing instead of making flat lifeless drawings because the author is a self taught artist and can tell you about her own experience and what she has gone through instead of repeating the curriculum that she would have learned in school if she had attended any art school because the author won't tell you add some shading that you can read in plenty of how to draw books by other authors but she will explain to you in detail how to do it and how she does it with nothing left to be asked because through this book you won't learn to draw a cube or cylinder that no one needs but the things that you will want to draw for yourself or for the people around you animals human faces everyday objects 3d drawings and more because the author will explain to you what she has realized through the years spent on drawing so that you don't have to think about how to do something but immediately start doing it saving you time on study and searching for the answers on the internet because the author will encourage you to keep on drawing and inspire you so that you will never want to stop doing it in this book you will find a lot of tips and tricks to kick start your artwork and help you to achieve stunning results enjoy learning

figure drawing is structured like an art school course and is every bit as rewarding artists and illustrators informative and instructive this comprehensive guide will give you all the tools you need to draw the human figure from life and from a screen while many books focus on just one aspect of figure drawing this manual unites the skills of observation expression and understanding in one coherent approach beginning with the key principles of observation figure drawing will help you to build a strong foundation of skills to make well observed proportionally accurate drawings as the book progresses you will explore processes and exercises that move beyond the purely observed to express the gesture form and substance of your model photographic and illustrative examples throughout the book support your learning at every step clear step by step tutorials provide a practical understanding of the key materials skills and ideas in figure drawing a comprehensive anatomical reference section broken down into manageable zones deepens your knowledge of the human form the book is a swiss bound paperback designed to lie flat when open and in use

learn to draw a variety of subjects in graphite pencil from basic shapes in drawing how to draw 1 which also features contributions by acclaimed artist william f powell walter foster invites you into his artistic world and shows you how to draw a variety of subjects even if you've never drawn before you'll be amazed at how quickly and easily you can render just about anything you'd care to draw with drawing how to draw 1 you'll learn the principles of drawing as well as all the materials and tools you'll need to get started you'll begin by drawing simple familiar shapes and quickly learn to transform them into three dimensional lifelike forms using just a

few easy techniques and with simple step by step instructions you ll learn to draw a variety of popular subjects including fruits flowers animals human portraits and even cartoons with the help of drawing how to draw 1 anyone can learn to draw designed for beginners the how to draw paint series offers an easy to follow guide that introduces artists to basic tools and materials and includes simple step by step lessons for a variety of projects suitable for the aspiring artist drawing how to draw 1 allows artists to develop their drawing skills demonstrating how to start with basic shapes and use pencil and shading techniques to create varied textures values and details for a realistic completed drawing

learning to draw is one of the most important skills that a child can gain even as adults when we express ourselves we visualize the connection between thoughts and ideas in our mind spatial awareness is learnt from a very young age and this skill can be honed by learning to draw however for many parents the process can be frustrating
