offers meditations on our relationship with god through prayer and tells how to find consolation express thankfulness and apprehend the presence of the lord

primary source readings in christian morality presents the living words of the catholic church and the wisdom of everyday people addressing the moral issues that impact our lives one goal of primary source readings in christian morality is to help

students realize the connection between behavior and character additionally the hope is that students will uncover that the road to authentic happiness and joy involves working on their relationship with god within this book you will find writings from pope benedict xvi the second vatican council richard gula ss pope paul vi ronald rohlheiser erich maria remarque pope john paul ii the united states conference of catholic bishops

vincent brümmer s classic book on prayer from 1984 provides a comprehensive philosophical analysis of central issues regarding the nature and practice of prayer this new edition has been substantially revised and updated serving as a valuable core text for students this book also contributes to a number of current debates in theology and philosophy of religion the debates on realism and religious belief on the rationality of faith and the nature of theology on the relation between religious belief and morality on the relation between science and religion and the lively debate among evangelical christians in america on the openness of god

many of us are aware of our spiritual nature and we have a real desire and need to talk to god prayer however seems a difficult thing to do while talking to our friends comes easily we often think that talking to god does not in how to pray john pritchard takes us on a journey into prayer he begins by showing us how to see the divine in everyday life and how to slow down enough to hear god he makes a wealth of useful suggestions about how to pray when to pray how to pray with the bible how to pray with the imagination how to pray with others how to pray when the going gets tough whether you are just starting out in your prayer life or want to deepen and refresh it this practical handbook will be a constant source of ideas and inspiration

taking seriously paul s exhortation in 1 thessalonians to pray without ceasing deborah van deusen hunsinger challenges pastors and congregations to put prayer at the center of their christian practice and theological reflection in this thought provoking book hunsinger reclaims spiritual practices from token use and unites them in a dynamic network of interdependent caring traditions the book begins with the three foundational disciplines of spiritual reading careful listening and self reflection hunsinger then explores prayers of petition intercession confession lament and thanksgiving finally she offers practical workable suggestions for developing pastoral care groups and teaching care giving skills at the congregational level clergy and laity alike will reap the benefits of this revitalizing look at the spiritual disciplines as dynamic forces in the life of the church

create religion classes that address younger teen s real life issues and differing

learning styles our comprehensive set of minicourses and teaching resources focus on relationship building active participation and sound religious principles the minicourse format for grades 6 8 with its detailed teaching guides full color student booklets and video resource materials gives coordinators and teachers everything they need to create a flexible successful curriculum that meets students unique needs teaching guides make teaching easy and fun with step by step instructions and checklists active learning strategies prayer guidance and copies of student booklets for reference

this very readable brief guide examines a wide range of spiritual writing that can be read for enjoyment or inspiration including some books that come from beyond any religious tradition while written from within the christian tradition and offering introductions to the writings of medieval mystics quakers and modern evangelists both protestant and catholic it also looks at classics of secular spirituality and writings from different religious traditions each book is explained to convey a brief idea of what each one has to offer the interested reader while a speed read for each book delivers a quick sense of what each writer is like to read and a highly compressed summary of the main points of the book in question this is an excellent reference to dip into but within sections such as early christian classics secular texts lives of inspiration and alternative approaches the books are arranged chronologically revealing some interesting juxtapositions and connections between them

from john chrysostom in the fourth century to teresa of avila in the sixteenth to william butler yeats in the twentieth this wide ranging collection is a treasury of writings on prayer from throughout the history of christianity lorraine kistry has arranged the material according to the great general themes of prayer such as praise thanksgiving repentance and purification to make this anthology serve as a course in christian prayer for anyone as well as a marvelous companion for the contemplative journey in general if this book is read truly says bishop seraphim sigrist in his introduction the reader will surely find the beginning of prayer itself and this is to open another book with no end at all christian teachings on the practice of prayer features writings by angela of foligno augustine of hippo bernard of clairvaux dietrich bonhoeffer ephrem of syria francis of assisi john donne george fox c g jung søren kierkegaard c s lewis martin luther thomas merton meister eckhart henri nouwen flannery o connor marguerite porrete seraphin of sarov teresa of avila pierre teilhard de chardin john wesley evelyn underhill many more

monograph attempting to describe youth culture trends and social movements over

the period from 1950 to 1970 with particular reference to the uk covers pop music sexual attitudes drug abuse religion mysticism and magic intellectual influences political ideologies the underground press and information services the community movement the role of christianity etc references

this book is a collection of forty four columns by l gregory jones that originally appeared in the christian century these writings focus on christian journeying with god the book is divided into five parts that address becoming christians friends and mentors life giving virtues facing challenges a hopeful future

drawing on her own experiences as well as those of her friends moon explores the different kinds of prayer and clearly demonstrates how a life of prayer can change the lives of those who pray and of those around them

through an uplifting collection of biblical stories psalms and prophecies this devotional guide points the way to fresh encounters with the lord and a fuller deeper love for him

christians continue to pursue a devotional life that will result in a deep intimate relationship with god but true devotional spirituality revels in the glorious attributes of god and aspires to lay hold of god's aspiration for his people those who practice it develop a passion for christ's indwelling life that inspires them to swim in the river of torrential love that flows from his throne of grace but how does one prepare his soul for the mystic sweet communion of living entirely in god and in one another as the three persons of god eternally live and rejoice in one another the trinity a journal guides readers through three months of lectio divina the ancient discipline of sacred contemplative reading using ninety texts from numbers through revelation that are particularly well suited to this discipline these texts take readers on a meditative journey through each of the three persons of the divine trinity providing them with thirty passages on the father thirty passages on the son and thirty passages on the holy spirit these texts translated from the original language by dr kenneth boa have been arranged in biblical sequence boa walks readers through a daily four part sequence of reading meditation prayer and contemplation and invites readers to engage personally with the text and to record their thoughts and prayers in the process this journaling component will enhance interaction with each of the readings and yield a valuable record of a reader's reflections and prayers during these months

here is help for readers looking to cultivate a deeper devotional life the psalms guides readers through three months of lectio divina the ancient discipline of sacred contemplative reading using 90 texts from the psalms that are particularly well

suited to this discipline texts are arranged in biblical sequence

this comprehensive collection encompasses a wider and more varied range of christian prayers than any other anthology of its kind making it an essential handbook for all who want to deepen and enhance their prayer life
