the calling card script is the script that expresses your voice gets you noticed and helps you reach commission and production written by paul ashton development manager of the bbc writersroom and born out of his wide experience of reading scripts working with writers and as an industry gatekeeper this is a guide to the key writing tools you need to know and understand to write a truly original script as many professionals need to switch mediums and genres in order to survive and thrive the book uniquely draws together the universal principles of dramatic storytelling for screen stage and radio with a focus on the script as a blue print for performance sections and chapters break down into bite sized practical insights and the book mirrors both the journey of the story and process of writing it the calling card script shows how to tell a great story in script form and offers valuable professional development insight for all writers whether established or just starting out who wish to hone their craft and speak their voice

in the early days of television many of its actors writers producers and directors came from radio this crossover endowed the american radio archives with a treasure trove of television documents the collected scripts span more than 40 years of american television history from live broadcasts of the 1940s to the late 1980s they also cover the entire spectrum of television

entertainment programming including comedies soap operas dramas westerns and crime series the archives cover nearly 1 200 programs represented by more than 6 000 individual scripts includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms

the 15th in a series drawn from scholarship presented at the annual comparative drama conference at rollins college in winter park florida this collection provides insights into texts and practices currently at the forefront of theatrical discussion the volume includes various essays on the intersections of script and performance and features an exclusive interview with keynote speaker playwright simon stephens

text and performance in contemporary british theatre interrogates the paradoxical nature of theatre texts which have been understood both as separate literary objects in their own right and as material for performance drawing on analysis of contemporary practitioners who are working creatively with text the book re examines the relationship between text and performance within the specific context of british theatre the chapters discuss a wide range of theatre makers creating work in the uk from the 1990s onwards from playwrights like tim crouch and jasmine lee jones to companies including action hero and rashdash in doing so the book addresses issues such as theatrical authorship artistic intention and the apparent incompleteness of plays as both written and performed phenomena text and performance in contemporary british theatre also explores the implications of changing technologies of page and stage analysing the impact of recent developments in theatre making editing and publishing on the status of the theatre text written for scholars students and practitioners alike text and performance in contemporary british theatre provides an original perspective on one of the most enduring problems to occupy theatre practice and scholarship

in a context of financial crisis that has often produced a feeling of identity crisis for the individual the theatre has provided a unifying forum treating spectators as citizens this book critically deals with representative plays and playwrights who have stood out in the uk and internationally in the post recession era delivering theatre that in the process of being truthful to the contemporary experience has also redefined theatrical form and content built around a series of case studies of seminal contemporary plays exploring issues of social and political crisis the volume is augmented by interviews with uk and international directors artistic directors and the playwrights whose work is examined as well as considering uk stage productions angelaki analyses european north american and australian productions of post 2000 plays by writers including caryl churchill mike bartlett dennis kelly simon stephens martin crimp debbie tucker green duncan macmillan nick payne and lucy prebble at the heart of the analysis and of the plays discussed is an appreciation of what interconnects artists and audiences enabling the kind of mutual recognition that fosters the feeling of collectivity as the book argues this is the state whereby the theatre meets its social imperative by eradicating the distance between stage and spectator and creating a genuinely shared space of ideas and dialogue taking on topics including the economy materialism debt culture the environment urban protest

social media and mental health social and political theatre in 21st century britain demonstrates that such contemporary playwriting invests in and engenders moments of performative reciprocity and spirituality so as to present the audience with a cohesive collective experience
