from the lengthy research and pen of two lawyers a judge and a former law professor this book in his footsteps the early followers of Jesus is a guide to understanding the early Christian movement through a study of the lives and ministries of the

first believers most of whom had met with the risen Jesus and thus knew without doubt that Jesus was the Christ and savior of the world. The book cites accounts from Eusebius, a third-century Greek Christian historian who also referenced testimony from first-century Christians about the almost unbelievable courage of the early followers of Jesus who willingly and fearlessly, despite tremendous persecution and sufferings brought to an otherwise lost world, an assurance of life eternal for all believers. The book also refers to the fulfillment of many of the biblical prophecies, the principal ones being the restoration of the nation of Israel and the return of many Jewish people to their homeland. This book is an indispensable resource for all persons as the tremendous sacrifices of the first believers should never be forgotten.
