in the 1940s and 50s richard dyer bennet 1913 1991 was among the best known and most respected folk singers in america paul o jenkins tells for the first time the story of dyer bennet often referred to as the twentieth century minstrel dyer bennet s approach to singing sounded almost foreign to many american listeners the folk artist followed a musical tradition in danger of dying out the swede sven scholander was the last european proponent of minstrelsy and served as dyer bennet s inspiration after the young singer traveled to stockholm to meet him one year before scholander s death dyer bennet s achievements were many nine years after his meeting with scholander he became the first solo performer of his kind to appear in carnegie hall this book argues dyer bennet helped pave the way for the folk boom of the mid 1950s and early 1960s finding his influence in the work of joan baez judy collins and many others it also posits strong evidence that dyer bennet would certainly be much better known today had his career not been interrupted midstream by the anticommunist red scare blacklist and its ban on his performances
