research on following jesus has mostly been done in terms of what jesus followers ought to do in this unprecedented study kim presents following jesus in john s gospel through the perspective of what jesus does for his followers following jesus is a journey towards the place where jesus leads his followers that is to a relationship with the father it is ultimately participating in the son s communion with the father jesus who was in the bosom of the father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the father in glory and love kim develops this thesis by examining the term *akolouthein* to follow and correlated motifs in john s gospel
