beginning theology students often find themselves bewildered by a maze of beliefs represented in christian history and tradition don thorsen s an exploration of christian theology unravels the knots of theology by exploring the whole christian tradition in a simple and straightforward way beginning with introductory chapters on theology revelation and authority this book deals with biblical teaching and christian tradition related to such topics as god creation sin jesus christ salvation and eschatology chapters conclude with helpful questions for further reflection and discussion and a convenient glossary of theological terms is included this is an excellent introduction to christian theology for classroom or individual use

this very short introduction provides both the believer and non believer with a balanced survey of the central questions of theology david ford s approach draws us in to considering the principles underlying religious belief including the centrality of salvation to most major religions the concept of god in ancient modern and postmodern contexts the challenge posed to theology by prayer and worship and the issue of sin and evil he also probes the nature of experience knowledge and wisdom in theology and discusses what is involved in interpreting theological texts in this new edition ford considers the contemporary relevance of theology including the effect of globalization and digitized communication examines the theological responses to change and development in science considers the impact of increased engagement between islam and the west and looks at the development and importance of theology between the different faiths about the series the

very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

in this engaging text darren marks provides a refreshing introduction to christian faith that will be of special interest to university and seminary students innovative in his organization marks explores seven key doctrines and highlights the profound interconnections among them in a way that points us beyond the mere theological formulations to the living god of the bible engaging academic discussions of the past and the present marks contextualizes these doctrines and shows their meaning for the day to day life of a faith community including illustrative narrative callouts and study questions this book ultimately aims to inspire illuminate and encourage christians toward a vital and relevant life of worship discipleship and mission

the moody handbook of theology leads the beginner into the appreciation and understanding of this essential field of study it introduces the reader to the five dimensions that provide a comprehensive view of theology biblical systematic historical dogmatic and contemporary the apostle paul wrote that all scripture is profitable for teaching 2 tim 3 16 that timothy should pay close attention to your teaching 1 tim 4 16 and that leaders should be able both to exhort in sound doctrine and to refute those who contradict titus 1 9 when he wrote these statements paul was referring to theology beyond giving basic definitions and general descriptions author paul enns summarized the substantial features of theology in this way he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher there are fifty five informative charts located at strategic points throughout the book

christianity today 2020 book award award of merit theology ethics outreach 2020 recommended resource of the year theology and biblical studies the question of what makes life worth living is more vital now than ever in today's pluralistic postsecular world universal values are dismissed as mere matters of private opinion and the question of what constitutes flourishing life for ourselves our neighbors and the planet as a whole is neglected in our universities our churches and our culture at large although we increasingly have technology to do almost anything we have little sense of what is truly worth accomplishing in this provocative new contribution to public theology world renowned theologian miroslav volf named

america's new public intellectual by scot mcknight on his jesus creed blog and matthew croasmun explain that the intellectual tools needed to rescue us from our present malaise and meet our new cultural challenge are the tools of theology a renewal of theology is crucial to help us articulate compelling visions of the good life find our way through the maze of contested questions of value and answer the fundamental question of what makes life worth living

why is theology often divorced from ministry why is ministry left bereft of a robust theology ray s anderson a professor at fuller theological seminary for over thirty years has left a legacy of provocative reflections on these questions in this book christian kettler provides a sure guide to major themes in the work of one of the most creative theological minds to have sought to integrate theology and ministry early experience on a south dakota farm and in a california parish helped form the theologian whose radical incarnational theology of the kenotic community provided a new basis for a broader risk taking ecclesiology anderson also brought theological anthropology to the front of the agenda and therefore into ministry to actual hurting human persons his challenging theological reflections can provoke the mind stir the heart and guide compassionate and wise incarnational ministry each chapter ends with a case study from an actual life situation to test out and work through the implications of anderson's theology

2020 christian book award winner bible reference works this textbook offers students a biblically rich creedally structured ecumenically evangelical and ethically engaged introduction to christian theology daniel treier coeditor of the popular evangelical dictionary of theology discusses key scripture passages explains christian theology within the structure of the nicene creed explores the range of evangelical approaches to contested doctrines acquaints evangelicals with other views including orthodox and catholic and integrates theological ethics with chapters on the ten commandments and the lord's prayer the result is a meaty but manageable introduction to the convictions and arguments shaping contemporary evangelical theology

ray s anderson lays out a new and renewing theological foundation for engaging in christian ministry illuminated by discussion and case studies he shows how a biblically informed approach addresses real issues in christ's power

in theology and the social consciousness henry churchill king presents a thought provoking exploration of the intersections

between theological inquiry and social issues this seminal work grounded in the early 20th century context of rapid industrialization and social change employs a clear yet nuanced literary style that encourages reflection on the moral responsibilities of individuals and communities king deftly navigates the complexities of theology advocating for a perspective that integrates faith with the pressing social consciousness of his time which includes issues of justice equality and ethical responsibility henry churchill king was an influential theologian and educator known for his commitment to integrating christian thought with contemporary social challenges his background in philosophy and his role as president of oberlin college uniquely positioned him to critique the assumptions of both traditional theology and emerging social movements kings s experiences in a rapidly evolving society profoundly shaped his perspective leading him to argue for a theology that actively engages with the world Äôs struggles and aspirations this book is highly recommended for readers interested in the development of social theology and its relevance today king s insights resonate with contemporary discussions about faith s role in social justice movements making this work not only a historical artifact but also a crucial text for modern believers and scholars alike

this handy accessible introduction to reading theology helps readers engage doctrine critically and charitably it serves as a primer to theological texts offering practical guidelines for assessing theology and equipping the next generation of pastors and theologians to read theological literature wisely even when they might disagree with it an ideal theology textbook it is especially well suited for students reading theological literature and discussing doctrine for the first time

christian theology the basics is a concise introduction to the nature tasks and central concerns of theology the study of god within the christian tradition providing a broad overview of the story that christianity tells us about our human situation before god this book will also seek to provide encouragement and a solid foundation for the reader s further explorations within the subject with debates surrounding the relation between faith and reason in theology the book opens with a consideration of the basis of theology and goes on to explore key topics including the identity of jesus and debates in christology the role of the bible in shaping theological inquiry the centrality of the trinity for all forms of christian thinking the promise of salvation and how it is achieved with suggestions for further reading at the end of each chapter along with a glossary christian theology the basics is the ideal starting point for those new to study of theology

dallas seminary professors make basic theology accessible for all theology doesn't have to be complicated in this book trusted dallas seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers students lay people and pastors here are introductions overviews and reviews of key tenets of orthodox protestant evangelical doctrines the book also includes an annotated list of key applicable bible texts a quick paced story of doctrine throughout church history heresies or distortions to be aware of and more exploring christian theology is useful for discipleship catechism membership training preview or review of doctrine or quick personal reference it can also be used by ministry training programs bible colleges or seminaries as an introductory primer to orient students in preparation for a more in depth study of theology

the study of theology address two major concerns the place of biblical hermeneutics and practical theology the author discusses the hermeneutical implications of biblical historical systematic and practical theology and presents a case for the relationship between exegesis and the other theological disciplines however the relationship between hermeneutics and practical theology is also essential according to the author the traditional forms of theology and preaching frequently fail the tests of exegesis and contemporary theologizing while at the same time most contemporary theology and exegesis fails to address directly the needs of the church muller presents a case for the structure of hermeneutics and argues that it is essential to the church because theological training as a whole ought to reflect the life of the church and be of value to the life of the church

there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavoring both to affirm the rationale behind christian thinking and also to familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become

familiar with the dimensions of current christian thinking in its dialogue with post modernity this new edition includes an additional chapter examining spirituality and a series of companion videos for each chapter

this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics

blazing a pathway for recovering the unity of biblical studies and theological reflection kevin j vanhoozer addresses the challenges presented by the contemporary so called postmodern situation especially deconstructionism

nearly every form of religion or spirituality has a vital connection with art religions across the world from hinduism and buddhism to eastern orthodox christianity have been involved over the centuries with a rich array of artistic traditions both sacred and secular in its uniquely multi dimensional consideration of the topic the oxford handbook of religion and the arts provides expert guidance to artistry and aesthetic theory in religion the handbook offers nearly forty original essays by an international team of leading scholars on the main topics issues methods and resources for the study of religious and theological aesthetics the volume ranges from antiquity to the present day to examine religious and artistic imagination fears of idolatry aesthetics in worship and the role of art in social transformation and in popular religion covering a full array of forms of media from music and poetry to architecture and film an authoritative text for scholars and students the oxford handbook of religion and the arts will remain an invaluable resource for years to come

this work impressively documented avoids fruitless speculation and gets down to the basics of the christian faith in a clear writing style the author powerfully articulates the unique activity of father son and holy spirit and shows how the work of each complements the other dr kenneth kinghorn dean of the school of theology asbury theological seminary focus is all important this book biblical throughout proceeds from the perspective of god s loving grace and maintains this perspective as the whole revelation of god is unfolded in its light the trinity is rightly honored as this theology interacts helpfully with

many other theological views and clarifies anew much that traditionally has been valued this is fresh material that serves the church fruitfully and also speaks meaningfully to contemporary culture exactly what good theology should do rev dr james earl massey dean emeritus anderson university school of theology dr barry l callen is professor of theology and dean emeritus of anderson university and school of theology former editor of the wesleyan theological journal and current editor of aldersgate press he holds graduate degrees in theology from anderson asbury and chicago theological seminaries and has authored numerous books on theology
