una de las preguntas fundamentales que miles de millones de hombres se han hecho a lo largo de la historia de la humanidad es si dios existe quien es el como se le puede conocer como se lo puede imaginar como se le puede hablar es dios una categoria mental mas de las tantas que creamos y por lo tanto es producto de nuestra imaginacion o ese dios existe realmente y se ha comunicado con nosotros de alguna manera verificable objetiva y nos ha revelado algo de quien es el y a estos interrogantes se le anade la inseparable duda de si lo que afirmarnos de dios es realmente lo que el es este interrogante ha sido motivo de innumerables confrontaciones entre los que afirman que si se ha dado dicha comunicacion y los que afirman que ese dios no nos ha hablado nunca y que por lo tanto es producto de nuestra imaginacion de nuestro deseo de sentirnos protegidos de sentirnos cobijados de sentirnos especiales cuando nos damos cuenta que somos varios billones de humanos viviendo en este punto azul la tierra suspendida en el firmamento compartiendo el espacio con miles y miles de estrellas de

nuestra galaxia y esta a su vez acompañada por miles de otras galaxias ejecutando el baile cósmico de nuestro universo es pues necesario hacer una revisión histórica crítica y de fondo para averiguar si existe o se ha dado la posibilidad de una comunicación entre este ser dios y nosotros la humanidad y si ha ocurrido de que manera se ha hecho dicha comunicación y si se ha dado que nos ha dicho dios de si mismo que nos sirva para hacernos una imagen comprensible de quien es el de cual es su íntima esencia
