entrepreneurs play a vital role in economic development as key contributors to technological innovation and new job growth we discovered that many people just like you have the urge to create an enterprise to help themselves and to make a difference in this world while successful entrepreneurs like steve jobs and bill gates are well publicized the harsh reality is that most new businesses are prone to failure because they dont have access to accurate information about the entrepreneurial process this book is a word map for guiding you through that process from refining your business idea and securing capital to a successful launch into the marketplace there are many types of business ideas to pursue and you are probably better educated than many historic entrepreneurs both thomas edison and ray kroc being high school dropouts and both steve jobs and bill gates being college dropouts if you hunger to be your own boss and to make a contribution to society with your ideas then business alchemy turning ideas into gold has the information for which you have been searching

in her new account of an old religion lynn picknett explains that lucifer means the light bringer and was a personification of the morning star the planet venus and its goddess he was originally she a divine representation of love light and human warmth the early

christian church appropriated the name lucifer and it became synonymous with darkness and the devil yet many great thinkers have covertly followed the old luciferan way most famously leonardo da vinci who encrypted the symbols of his heretical beliefs in his work visible only to those who have the key

an extensive examination of the history of gnosticism and how its philosophy has influenced the western esoteric tradition explains how the gnostic understanding of self realization is embodied in the esoteric traditions of the rosicrucians and freemasons explores how gnosticism continues to influence contemporary spirituality shows gnosticism to be a philosophical key that helps spiritual seekers remember their higher selves gnosticism was a contemporary of early christianity and its demise can be traced to christianity s efforts to silence its teachings the gnostic message however was not destroyed but simply went underground starting with the first emergence of gnosticism the author shows how its influence extended from the teachings of neo platonists and the magical traditions of the middle ages to the beliefs and ideas of the sufis jacob böhme carl jung rudolf steiner and the rosicrucians and freemasons in the language of spiritual freemasonry gnosis is the rejected stone necessary for the completion of the temple a temple of a new cosmic understanding that today s heirs to gnosticism continue to strive to create the gnostics believed that the universe embodies a ceaseless contest between opposing principles terrestrial life exhibits the struggle between good and evil life and death beauty and ugliness and enlightenment and ignorance gnosis and agnosis the very nature of physical space and time are obstacles to humanity s ability to remember its divine origins and recover its original unity with god thus the preeminent gnostic secret is that we are god in potential and the purpose of bona fide gnostic teaching is to return us to our godlike nature tobias churton is a filmmaker and the founding editor of the magazine freemasonry today he studied theology at oxford university and created the award winning documentary series and accompanying book the gnostics as well as several other films on christian doctrine mysticism and magical folklore he lives in england

from arabic al kimia of egypt and old egyptian keme black fertile soil alchemy is the ancient science of elements and interactions in both the natural and the spiritual realms spanning 2 500 years and informed by hermetic and neoplatonist influences it has been practiced in the classical greco roman world medieval europe and the medieval middle east and orient and up to the present in esoteric circles alchemists have three main pursuits the transmutation of base metals into gold by means of the lapis philosophorum the philosopher s stone the concoction of the elixir of life a universal medicine the reconciliation between spirit and matter and direct knowledge of the divine this concise dictionary of alchemy provides clear access to one of the major roots of western esoteric thought subjects include alchemical processes and procedures the natural elements and apparatus used major practitioners and philosophers and concepts and beliefs distinguishing this guide from similar ones is the addition of etymology connecting the language of alchemy to its latin greek and arabic sources symbolic pictographs accompany half of the over four hundred entries and a fascinating illustration from the long tradition of alchemical art introduces each letter of the alphabet most important is the author jordan stratford s unique perspective as both a modern gnostic priest and a freemason he also brings to bear extensive knowledge of the depth psychology of c g jung who based his key concept of individuation on the premise that what the ancient alchemists truly sought was inner transformation

alchemy is one of the world s oldest wisdom traditions and has until recently been a secret tradition that was only passed down to the chosen and often through a coded language this is because alchemy touches upon that which nothing can surpass the eternal life of the golden consciousness alchemy shows the way into the deepest mysteries of existence where our essence our gold can be revealed we can realise our full potential through alchemy access our hidden divine abilities and reach spiritual wholeness the alchemist s work is about making the impossible possible to achieve immortality the metaphor for this transformation is expressed as the refining of dark lead into shining gold this miraculous process is the secret of secrets to which this book

carries the keys for the first time the divine work is presented in its entirety by authors with extensive experience in alchemy the book conveys alchemy s history philosophy and practice and instructs the reader on how to become an alchemical master through this one becomes a divine co creator in both one s own refining process as well as that of the entire creation like a true philosopher a true lover of wisdom
