the america of the near future will look nothing like the america of the recent past america is in the throes of a demographic overhaul huge generation gaps have opened up in our political and social values our economic well being our family structure our racial and ethnic identity our gender norms our religious affiliation and our technology use today s millennials well educated tech savvy underemployed twenty somethings are at risk of becoming the first generation in american history to have a lower standard of living than their parents meantime more than 10 000 baby boomers are retiring every single day most of them not as well prepared financially as they d hoped this graying of our population has helped polarize our politics put stresses on our social safety net and presented our elected leaders with a daunting challenge how to keep faith with the old without bankrupting the young and starving the future every aspect of our demography is being fundamentally transformed by mid century the population of the united states will be majority non white and our median age will edge above 40 both unprecedented milestones but other rapidly aging economic powers like china germany and japan will have populations that are much older with our heavy immigration flows the us is poised to remain relatively young if we can get our spending priorities and generational equities in order we can keep our economy second to none but doing so means we have to rebalance the social compact that binds young and old in tomorrow s world yesterday s math will not add up drawing on pew research center s extensive archive of public opinion surveys and demographic data the next america is a rich portrait of where we are as a nation and where we re headed toward a future marked by the most striking social racial and economic shifts the country has seen in a century

the america of the near future will look nothing like the america of the recent past america is in the throes of a demographic overhaul huge generation gaps have opened up in our political and social values our economic well being our family structure our racial and ethnic identity our gender norms our religious affiliation and our technology use today s millennials well educated tech savvy underemployed twenty somethings are at risk of becoming the first generation in american history to have

a lower standard of living than their parents meantime more than 10 000 baby boomers are retiring relatively drawing on pew research center s extensive archive of public opinion surveys and demographic data the next america

contrary to those who argue that demographics are political destiny social trends are transforming identity categories of race gender and youth all of which provide rich opportunities for republicans to create a new majority to accomplish this republicans will need imagination and political acumen if they are to win over those constituencies that have become the base of the democratic party minorities young women and millennials behind the reality of current voting patterns which without doubt presents a gloomy future for the republican party social trends and a deeper analysis of political attitudes reveal there is much room for republican optimism in this critical data driven book future right donald critchlow explores strategies for the right that will help them succeed where democrats are floundering how to speak to the new population of a rising and successful minority class and how to reform the salacious alliance between the government and the one percent it is time for republicans to adapt to societal trends for the creation of a new transformative politics that will not only help them win the future elections but revive a system long overrun by outmoded top heavy politics

the future of leadership considers how the rapid changes of today will affect the leaders of tomorrow renowned leadership scholar michael a genovese argues that one of the key challenges for future leaders will be to effectively and constructively manage the hyper change taking place both within organizations and in the broader social and political spheres taking a futures studies approach to envision the state of leadership in the coming decades genovese also provides case studies of leaders who have already demonstrated the mind and skill sets necessary to successfully manage rapid change

emerging adults are taking a longer time to construct their identities including commitment to partners and they are doing so in the context of an unpredictable shifting global economy with a paucity of guidelines to inform their choices while popular

wisdom suggests they are narcissistic entitled easily distracted self absorbed and impatient traits that certainly do not position them to be successful romantic partners this book presents alternative perspectives that are grounded in theory and practice it articulates the tensions between opposing dynamics the desire for a committed trusting long term relationship and the need to protect oneself and continue to grow as an individual in the event that such a relationship never materializes

das erste deutschsprachige buch über joe biden joe biden ist zugleich der unglücklichste und der glücklichste mensch den ich kenne das sagt ein weggefährte über den 46 präsidenten der vereinigten staaten der vielfach ausgezeichnete journalist evan osnos begleitet den politiker aus delaware seit jahren und hat ihn immer wieder interviewt zuletzt im sommer 2020 diese und weitere gespräche mit angehörigen und weggefährten wie barack obama bilden die grundlage dieser brillanten nahaufnahme des 1942 geborenen biden in dessen werdegang sich die veränderungen der politischen kultur der usa spiegeln mit gerade einmal 29 jahren wurde der sohn eines autohändlers in den us senat gewählt seinen amtseid legte er ab nachdem er nur wenige wochen zuvor seine erste frau und seine tochter bei einem autounfall verloren hatte nach hängen und tiefen führte ihn seine karriere schließlich als vizepräsident ins weiße haus joe biden hat dramatische schicksalsschläge und überraschende wendungen erlebt vielleicht versetzt ihn gerade das in die lage eine zerrissene nation zu einen die wunden der trump Ära zu heilen und einen neuen politischen aufbruch zu ermöglichen

investing with impact why finance is a force for good outlines the roadmap to reinvigorating a skeptical public and demoralized financial services industry by making the case that contrary to popular misconception finance is not the cause of the world s problems in fact it can provide the solution author jeremy balkin presents the case that the finance industry can improve the state of the world by positively influencing the allocation of capital investing with impact explains the methodology of balkin s 6 e paradigm opening the toolbox to this revolutionary framework for the first time in so doing balkin expands the impact investment universe enabling mainstream capital to flow where opportunities generate positive investment returns and have

demonstrable social impact described by the huffington post as the anti wolf of wall street balkin is challenging the status quo on wall street by leading the intellectual debate embracing the 1 trillion frontier impact investment market opportunity the book demonstrates conclusively that if we can change the culture in finance we can change the world for the better

cette étude fait découvrir la pensée esthétique de senghor pour en dégager les principaux paradigmes et montrer leurs ramifications à travers les amériques où ils ont favorisé la naissance d un monde créolisé fait d ancestralités complexes de généalogies kafkaïennes qui s applique à briser les mythes et à instaurer un nouveau dialogue universel

vivid account of the railroad strike

the north american mosaic has four overarching features first it is to the extent feasible based on comparable information on the status and trends of major indicators of the state of the environment in canada mexico and the united states second the

report confirms that these three countries together make up an incredibly complex dynamic and interconnected ecosystem in which humans play a dominant and decisive role third the report raises important and sometimes disquieting questions concerning the sustainability of some current trends finally the report is a reminder that our economic social and physical well being are utterly dependent on the life sustaining services provided by nature this report emphasizes the importance of developing mutually compatible economic social and environmental goals and policies across the three country region

the antibureaucratic revolution was the most crucial episode of yugoslav conflicts after tito drawing on primary sources and cutting edge research this book explains how popular unrest contributed to the fall of communism and the rise of a new form of authoritarianism competing nationalisms and the break up of yugoslavia

contributed articles and extracts from various websites and journals

this book offers the first english translation of the compelling heroine story of irena sendler a polish catholic who organized the rescue of more than 2 500 jewish children from the warsaw ghetto during world war ii in the fall of 1999 four young girls from kansas began research for a high school history project the students were inspired by a magazine article about irena sendler and after discovering that sendler was still alive they exchanged letters with her and eventually traveled to poland to meet with her the play the students wrote as a result of their research and multiple interviews spawned worldwide interest in the epic story of one person who managed to save the lives of 2 500 children in poland under german occupation this new translation brings the universally appealing story of irena sendler to an english speaking audience for the first time it contains moving accounts of courage and hope in the face of tremendous danger cruelty and terrifying uncertainty it also portrays the unspeakable emotional distress suffered by the children s parents who chose to give them up and communicates the decades of immense longing loneliness and guilt of the rescuees for having survived while their families did not based on sound

scholarship and research while also being easy to read and accessible to a wide readership provides a complete chronological presentation of sendler s life from her childhood education and wartime humanitarian efforts to her postwar experiences including her professional and personal life and her visit to israel presents unique information from letters and interviews with the now elderly children sendler rescued over 60 years ago illuminating the dramatic influence she had upon their lives contains several sections written in the voice of irena sendler resulting in a lively conversational first person narrative that gives a reading experience akin to sitting with sendler and hearing her story firsthand
