daniel and allison have been making love on a rainy sunday morning and they are both totally
turned on it started in the shower with a slow massage and moved to the bedroom where they have
been having intercourse for the past ten minutes daniel knows that allison needs at least another
five minutes of intercourse before she can climax here s the problem daniel doesn t think he has
five minutes left in him if daniel continues having intercourse the way he has for the past ten
minutes it may be only a matter of seconds before he has an orgasm he thinks about slowing down
or stopping but to break the rhythm now would only make it more difficult for allison to climax he
knows that allison is at that stage where any kind of change in his movement would only frustrate
her besides if he tried to stop or to change the rhythm daniel could lose strength in his erection
which would complicate matters even further this dilemma is making the whole experience a lot
less pleasurable for daniel the first few minutes of sex were pure excitement but now he is worried
and conflicted it is hard to enjoy sex when you re fighting your own body truth is you really can t
enjoy sex when you re fighting your own body and neither can your partner what daniel does not
yet know is that he has another option male multiple orgasm the multi orgasmic man has staying
power he doesn t have to hold back he doesn t have to fight his own body and deny himself his
own pleasure he can enjoy all of the erotic sensations of intercourse have a full orgasm and keep
going if he wishes he can have a second orgasm and keep going he can last as long as his partner
wishes experience all of the excitement and release and keep going for the multi orgasmic man the
sky is truly the limit daniel is not the only man who has this exciting option today techniques have
been perfected to make male multiple orgasm an option for almost every man age doesn t matter
