our story is unpolished transparent and comical we are not perfect and have no intention to pretend we are we are followers we are still learning and sometimes learning happens through making mistakes our story is full of them we will follow will point out the importance of the local church the importance of surrounding yourself with other believers i have a unique perspective with my unchurched background i pray seeing faith from this perspective will help those in the church relate differently towards those that did not grow up in the church we will follow is not just our story it s a story about god and how he has walked with us along the way each step of obedience was important in leading us in the right direction obedience is simply doing what he says and finding victory in the faith that follows obedience will lead to faith it always does

minear puts forward the significance of using the information uncovered from the last three chapters of romans 14 16 to reconstruct the picture of the situation in rome and to interpret the letter as a whole accordingly he challenges the assumption held by many commentators that there was a single christian congregation in rome where different groups of christians worshipped side by side minear proposes that paul is trying to unite the strong and the weak communities in rome paul does this by employing twelve axioms in efforts at reconciliation in 14 1 15 13 according to minear it is the purpose of the rest of romans to explain support and defend these axioms

if ye keep my commandments ye shall abide in my love even as i have kept my father s commandments and abide in his love john 15 10 god will not honor the person who is not obedient for us to have favor with god obedience is of utmost importance to obey is better than sacrifice 1 samuel 15 22 this is evident from the very beginning of the bible to the very end blessed are they that do his commandments that they may have a right to the tree of life revelation 22 14 from paradise lost to paradise regained the necessity for obedience remains the same it is only obedience that restores access to the tree of life and favor with god while the original disobedience was the cause of humanity s fall through the obedience of christ to the father and through our obedience to christ we can once again be restored although he was the son of god yet he learned obedience by the things which he suffered and being made perfect he became the author of eternal saving health unto all those that hearken unto him hebrews 5 8 9 let this study awaken in you an earnest desire to fully know god s will concerning this truth let us unite in praying that the holy spirit will show us

this study is a fresh approach to paul s epistle to the romans taking paul s jewish background seriously it challenges the prevailing consensus that paul s object in the first three chapters is to conclude that everyone is under the power of sin davies shows that in paul s thinking there has always been a category of the righteous those who live by faith and express their faith in obedience paul s indictment of jews and gentiles therefore is an indictment of only the wicked among jews and gentiles not of the righteous

there are five chapters of this book the first chapter is the overview of the whole book and how the research was going to be conducted it also gives the summary of law and love in the books of paul the interaction between law and love in pauline writing has been an interesting topic where we have discovered that the law of god cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity we discovered that the law of god reveals gods character and that is his love the law of god and his love are one and cannot be separated from each other god gives the law to prove to man that he loves him deeply and eternally the death of jesus on the cross was the final crown of the proof of how much we mean to god and the length he can go to redeem us he gave his all for our redemption the plan of salvation is the perfect revelation of law and love in pauline writings chapter 1 and 2 looks at law and love and the theology and ethics of law and love the plan of salvation is laid bare and how the jews missed the mark of spreading the word to the whole world by holding to god as a jewish god alone in chapter 3 we discover the difference between the ceremonial law and the decalogue the ceremonial laws were pointing toward the coming of jesus and so with his arrival they came to an end because they were pointing to his coming the decalogue was there and it will continue till the end of time when jesus will come the second time chapter 4 is all about love and what it means to god and how he could not compromise his decalogue and the meaning of redemption chapter 5 is the blending of law and love in pauline keeping the law is not a problem when you love god and you know that god loves you its not difficult to keep the decalogue because your love supercedes the law when you love someone its easy to follow or keep the law gods decalogue is a mirror and love is the crown of our redemption for god so loved the world that he gave his only begotten son to die for man because his law could not be changed love will lift us up such that doing and keeping gods law will not be a burden but a pleasure because through christs death we realize how important we are to god
