the volume aims at complementing the international literature on the interaction between cicero and greece it offers new and unpublished material on cicero s presence in greece literally deriving from his epistles speeches and philosophical treatises but also on his interaction with the greek philosophical schools the greek language and politics etc besides it offers new knowledge on the

appreciation and reception of cicero and his texts by the greek world from late antiquity to byzantium and modern greece based on material deriving from a variety of sources papyri manuscripts compendia or encyclopaedias imitations translations early editions etc an aspect of the relationships between cicero and greece still understudied thus the volume offers an image as illustrative as possible of various aspects of the presence of the greek world in cicero s works and of cicero s presence in greece from his own times to the present day

a selection of essays examining the significance of what jewish history and mediterranean studies contribute to our knowledge of the other jews and the mediterranean considers the historical potency and uniqueness of what happens when sephardi mizrahi and ashkenazi jews meet in the mediterranean region by focusing on the specificity of the jewish experience the essays gathered in this volume emphasize human agency and culture over the length of mediterranean history this collection draws attention to what made jewish people distinctive and warns against facile notions of mediterranean connectivity diversity fluidity and hybridity presenting a new assessment of the jewish experience in the mediterranean

this book deals with a subject that has recently been the focus of debate and law reform in many jurisdictions how much scope should spouses have to conclude agreements concerning their financial affairs and under what circumstances should such agreements be binding and enforceable these marital agreements include pre nuptial post nuptial and separation agreements the book is the result of a british academy funded research project which investigated and compared the relevant law of england and wales australia austria belgium france germany ireland the netherlands new zealand scotland singapore spain sweden and the jurisdictions of the united states in addition to chapters on these jurisdictions the book includes a chapter on the english practitioner s view it also provides a comparative analysis of the different matrimonial property regimes and the rules on marital agreements that explores underlying themes and principles and makes recommendations for regulating marital agreements a key theme is the function and effect of marital agreements in the different jurisdictions thus each chapter first explains the underlying default rules for ancillary relief matrimonial property and maintenance it then analyses the current rules for marital agreements and gives a brief account of the private international law rules the book provides a comprehensive source of reference on ancillary relief matrimonial property and maintenance and the rules on prenuptial post nuptial and separation agreements in 14 jurisdictions it offers guidance for academics and practitioners dealing with international matters and a basis for discussions on law reform i applaud the vision and perseverance of jens scherpe in having conceived this book and with so much distinguished help in now bringing it to birth i will be using it for many years and i warmly invite my fellow family lawyers across the world to do likewise foreword by the rt hon lord wilson of culworth justice of the supreme court of the united kingdom this title is included in bloomsbury professional s family law online service
