an authoritative exploration of how black americans have shaped baseball from its emergence after the civil war to the negro leagues and jackie robinson s breaking of the color barrier up to today s game by award winning author gerald early in collaboration with the national baseball hall of fame no sport has been more associated with america s sense of itself with its identity than baseball no sport has been so inextricably bound with america s traditions with its notions of democracy and fair play than baseball and no professional sport in america has been as dramatically connected to social change as major league baseball when it became racially integrated the moment jackie robinson took the field with the brooklyn dodgers on april 15 1947 play harder comes at a time when the history of black baseball has become especially relevant following mlb s recent recognition of the negro leagues as major leagues and the effort to incorporate statistics from the negro leagues into those for all players before robinson as play harder shows black athletes played baseball as far back as the 1800s even before the establishment of the negro leagues but once founded in 1920 the negro leagues gave black americans an inroad to baseball that would be enduring and profound the leagues were an instrument of community building during a time when discrimination separated black people from all white enterprises including baseball and they paved the way for racial integration that black players hoped would come play harder showcases the black stars of the game those from baseball s early years such as moses fleetwood walker and rube foster negro leagues stars like satchel paige and cool papa bell jackie robinson and those who crossed the color line after him like hank aaron and willie mays followed by frank robinson and curt flood and the stars who ushered in today s game such as reggie jackson dave winfield barry bonds and ken griffey jr playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by black americans in the end play harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today

when sybella arrived at the doorstep of st mortain half mad with grief and despair the convent were only too happy to offer her refuge but at a price the sisters of

this convent serve death and with sybella naturally skilled in both the arts of death and seduction she could become one of their most dangerous weapons but her assassin s skills are little comfort when the convent returns her to the life that nearly drove her mad her father s rage and brutality are terrifying and her brother s love is equally monstrous but when sybella discovers an unexpected ally she discovers that a daughter of death may find something other than vengeance to live for action courtly intrigue supernatural and a beautifully written romance just as grave mercy this has all the elements to bewitch fans of lauren kate and philippa gregory alike brimming with powerful emotions thrilling sword fights and accurate period detail this tightly plotted tale will enthrall readers of romantic historical fantasy publishers weekly

this book illustrates that mediated popular culture and science based knowledge systems entangled and compromised as both have become are still a robust crucible for system change for the future when they combine forces planetary crises require responses from everyone this means that collective action is not simply a scientific or political problem it is a problem of culture and media but modern politics journalism and science were not designed for global climate action they ve divided humans into competitive and often hostile we and they groups identity news and knowledge are all weaponized culture makes groups groups make knowledge and knowledge makes enemies what can be done to prevent global conflict and the drift to war make believe turns to popular culture and social media to argue for an alternative storyline while the great powers are making new enemies emergent classes led by children are using planetary connectivity to make new worlds a digital planet generates new kinds of strategic stories for pan human action based on difference intersectionality and cooperation for a sustainable earth system make believe shows how alternatives to the great game of global contestation are gathering strength in unlikely places among women children lifestyle and pop culture popular digital media literacy is now a prerequisite for the remediation of the planet
