governments around the world are seeing the locality as a key arena for effecting changes in governance restructuring state civil society relations and achieving sustainable growth this is the first book to critically analyse this shift towards localism in planning through exploring neighbourhood planning one of the fastest

growing most popular and most contentious contemporary planning initiatives bringing together original empirical research with critical perspectives on governance and planning the book engages with broader debates on the purposes of planning the construction of active citizenship the uneven geographies of localism and the extent to which power is actually being devolved setting this within an international context with cases from the us australia and france the book reflects on the possibilities for the emergence of a more progressive form of localism

raising black teen boys in turbulent times it is always heartening to see women step up to the writer s table when the results are as adroit and affecting as marita golden s work it is more than satisfying it is a cause for celebration toni morrison nobel laureate two decades ago marita was the first black writer to address the horrifying statistic that haunts all black mothers the leading cause of death among black males under twenty one is homicide today police brutality rages on as millions call for the reformation of our broken law enforcement in the wake of the traumatic murders of black teen boys like trayvon martin michael brown and daunte wright read an intimate account of a mother s efforts to save her son writing her son s story against the backdrop of a society plagued by systemic racism economic inequality and mass incarceration golden offers a form of witness and testimony in a time of crisis for black americans learn how to grapple with the realities of black america join golden as she confronts the root causes of violence inflicted upon black teen boys and reassesses the legacy of her own generation s struggle for civil rights explore black boys difficult road to adulthood in the u s and learn why single black mothers are often wrongly blamed for their sons actions gain invaluable advice and knowledge from trustworthy sources in saving our sons golden documents her conversations with psychologists writers and young black males themselves this book is designed to help you discuss and unpack generational trauma with loved ones gain deeper insight into the injustices black children face in the u s recognize the importance of community for the success of black teen boys if you liked decoding boys mother son our back forth journal the boy crisis or boy mom you ll love saving our sons

through seven london case studies of communities opposing social housing demolition and or proposing community led plans community led regeneration offers a toolkit of planning mechanisms and other strategies that residents and planners working with communities can use to resist demolition and propose

community led schemes the case studies are walterton and elgins community homes west ken and gibbs green community homes cressingham gardens community greater carpenters neighbourhood forum focus e15 people s empowerment alliance for custom house peach and alexandra and ainsworth estates together these case studies represent a broad overview of groups that formed as a reaction to proposed demolitions of residents housing and groups that formed as a way to manage residents homes and public space better drawing from the case studies the toolkit includes the use of formal planning instruments as well as other strategies such as sustained campaigning and activism forms of citizen led design and alternative proposals for the management and ownership of housing by communities themselves community led regeneration targets a diverse audience from planning professionals and scholars working with communities to housing activists and residents resisting the demolition of their neighbourhoods and proposing their own plans

how to raise black kids in a racist world 1 new release in teacher resources and student life raising confident black kids includes everything black and multi racial families need to know to raise empowered confident children from the realities of living while black to age appropriate ways to discuss racism with your children educator m j fievre provides a much needed resource for parents of black kids everywhere it s hard to balance protecting your child s innocence with preparing them for the realities of black life when and how do you approach racism with your children how do you protect their physical and mental health while also preparing them for a country full of systemic racism on the heels of why are all the black kids sitting together in the cafeteria and multiplication is for white people comes a parenting book specifically for parents of black kids now there s a guide to help you teach your kids how to thrive even when it feels like the world is against them from racial profiling and police encounters to the whitewashed lessons of history taught in schools raising black kids is no easy feat in raising confident black kids teacher m j fievre passes on the tips and guidance that have helped her educate her black students including how to encourage creativity and build self confidence in your kids ways to engage in activism and help build a safer community with and for your children and ways to rest when you need to how to explain systemic racism intersectionality and micro aggressions if you found guidance and inspiration from books like the unapologetic guide to black mental health mother to son or breathe you ll love raising confident black kids

this book carries out an in depth investigation of a neighborhood planning process that engages critically with the issues surrounding articulation of local concerns in a strategic manner and the prospects of implementing bottom up community initiatives successfully it highlights the dynamics involved in shaping the content of a neighbourhood plan and the implications of the different ways in which a place is constructed the book challenges the notions of a singular place that is described in a neighbourhood plan it examines conceptual thematic strategic and performative constructions of place and the capacity for neighbourhood plans to be developed within this context it explores the value of connecting the formulation of a neighbourhood plan with the emergence of a relevant local plan allowing for more meaningful local influence on strategic policymaking with first hand insights on neighbourhood planning this book offers a novel contribution to the fields of planning urban studies and urban geography

this book brings together a diverse collection of case studies perspectives and research to explore how craft breweries have interacted with cities and neighborhoods in meaningful ways it provides a deeper understanding of the important issues facing neighborhoods city government and breweries such as economic development race and equity crime and sustainability it demonstrates how craft breweries are meaningful contributors and participants in addressing these critical challenges written in an accessible style this book contains contributions from a diverse array of research and professional backgrounds and personal perspectives it allows readers to increase the dialogue across disciplines and build an evidence base regarding the interaction between communities and craft breweries this book appeals to undergraduate and graduate students as well as policy makers and industry professionals working in urban studies planning public policy business administration economic development and the craft brewery industry

this book concerns itself with the implementation of human rights strategies within the state police forces of rio de janeiro as an attempt to improve policing and enhance police compliance with human rights standards for the sake of this research police human rights strategies have been defined as those laws policies projects or programs that implicitly or explicitly aim to improve police compliance with human rights values standards and norms the understanding that as state agents the police are supposed to uphold the law which includes human rights yet they are often involved in human rights violations has led

to a realization of the importance of implementing human rights within the police and increasing police compliance with human rights standards it is not enough to document human rights violations committed by the police and to demand that these officers be held accountable there has to be an attempt to get police officers to understand human rights and to respect people s human rights while performing their duties so that human rights violations at the hands of the police occur less frequently what strategies have been created to improve the police and increase police compliance with human rights standards how have these strategies been implemented how do they influence the reality of policing what are the societal and institutional factors that facilitate or impede the implementation of these strategies it is these questions and the lack of answers available thereto that inspired this research

this publication marks a quarter of a century of eu youth programmes accompanied by eu youth policy it brings together a range of views and highlights best practices with the aim of stimulating debate about what youth work and non formal learning can contribute alongside other sectors to european education from diverse viewpoints it reviews eu cooperation in the field points to successes and sets out possible future scenarios particularly in the context of the erasmus programme 2014 2020 page 2
