the field of art and religion is fast becoming one of the most dynamic areas of religious studies uniquely the art of the sacred explores the relationship between religion and the visual arts and vice versa within christianity and other major religious traditions it identifies and describes the main historical theological sociological and aesthetic dimensions of religious art with particular attention to popular as well as high culture and within societies of the developing world it also attempts to locate and predict the forms and functions of such art in a changing contemporary context of obligation modernity secularism and fundamentalism the author concentrates on four chief dimensions where religious art and religious belief converge the iconographic the didactic the institutional and the aesthetic this clear well organised and imaginative treatment of the subject should prove especially attractive to students of religion and visual culture as well as to artists and art historians

from the time that pages of the saint john s bible began touring in major exhibitions nearly a decade ago people have been moved captivated and inspired by this stunning work of

modern sacred art but they often have questions about the illuminations that are scattered throughout the bible especially as they first become familiar with it why was a certain scripture passage chosen for illumination rather than another what materials and source imagery are behind the illuminations the art of the saint john s bible provides answers to these important questions and many others initially published in a series of three volumes each book has now been revised by the author and included together in this helpful single volume sincethe saint john s bible is now complete susan sink makes connections between recurring images and motifs throughout the work and reflects on the images with a view to the whole her book promises to intensify and expand the experience of all who come in contact with the saint john s bible

a journey through johannesburg via three art projects raises intriguing notions about the constitutive relationship between the city imagination and the public sphere through walking gaming and performance art amid prevailing economic validations the trilogy posits art within an urban commons in which imagination is all important

some may possibly wonder to find here no record of ballet in italy or at the opera houses of madrid lisbon vienna buda pest berlin copenhagen stockholm warsaw or st petersburg not to speak of the united states and south america this however would be to miss somewhat the author s purpose which is not to trace the growth of ballet in every capital where it has been seen to do so effectively was hardly possible in a single volume a whole book might well be devoted to the history of the art in italy alone herein only touched upon as it came to have a vital influence on france and england in the nineteenth century we have already had numerous volumes dealing with russian ballet and since the ground has been extensively enough surveyed in that direction there could be no particular advantage in devoting more space to the subject than is already given to it in this work the purpose of which only is to present as far as possible from contemporary sources some leading phases of the history of the modern art of ballet as seen more particularly in france and england

henry james criticized the impressionism which was revolutionizing french painting and french fiction and satirized the british aesthetic movement which championed impressionist criticism yet time and again he used the word impression to represent the most intense moments of consciousness of his characters as well as the work of the literary artist henry james and the art of impressions argues that the literary art of the impression as james practised it places his work within the wider cultural history of impressionism henry james and the art of impressions offers an unprecedentedly detailed cultural and intellectual history of the impression it draws on philosophy psychology literature critical theory intellectual influences and aesthetics to study james s early art criticism literary criticism travel writing prefaces and the three great novels of his major phase the ambassadors the wings of the dove and the golden bowl it argues that the coherent philosophical meanings of the jamesian impression emerge when they are comprehended as a family of related ideas about perception imagination and aesthetics bound together by james s attempt to reconcile the novel s value as a mimetic form and its value as a transformative creative activity henry james and the art of impressions traces the development of the impression across a range of disciplines to show how james s use of the word owes them cultural and

intellectual debt it offers a more philosophical account of james to complement the more historicist work of recent decades

moving beyond previous scholarship he gives us a locke as much concerned with the effective functioning of government as with the roots of its moral legitimacy book jacket

written 2 500 years ago by chinese general sun tzu the art of war is a masterpiece of military strategy still in use in war colleges around the world yet its principles transcend warfare and have practical applications to all the conflicts and crises we face in our lives in our workplaces our families even within ourselves thomas huynh guides you through sun tzu s masterwork highlighting principles that encourage a perceptive and spiritual approach to conflict enabling you to prevent conflicts before they arisepeacefully resolve conflicts when they do ariseact with courage intelligence and benevolence in adversarial situationsconvert potential enemies into friendscontrol your emotions before they control you

the art of living aesthetics of the ordinary in world spiritual traditions is the first truly multi cultural philosophy of art it develops a new theory of what art is and discusses it in relation to zen buddhism taoism and hinduism as well as native american african and african american traditions

have we completely missed the point of the modern western revolution in the arts hugh moss thinks so and here he presents a refreshingly original and thought provoking new approach to understanding art it not only makes sense of western art over the past century or more but applies equally to the art of any culture at any time all within one enlightening framework that well works this new perspective is impossible to ignore a theory that places art right at the centre of the evolution of human consciousness as a key driver of the process argued with intelligence panache and wit the art of understanding art provides a delightfully entertaining read that will change the way you think about and look at art whether you are a collector or would like to be a connoisseur an academic a student or of course an artist or would like to be it is illustrated with intriguing skill depth and humour by peter suart

first paperback edition a lucid and deft argument for art as the making of beauty for beauty s own sake the arts of the beautiful brilliantly addresses the dominant notion of art as an act of expression or communication gilson maintains that art is not a matter of knowing but that it belongs to an order other than that of knowledge the order of making a world renowned philosopher and historian etienne gilson held the position of professor of medieval philosophy at the sorbonne and subsequently at the college de france he helped to found the pontifical institute of medieval studies at the university of toronto he is the author of many works including forms and substance in the arts the philosopher and theology and the spirit of medieval philosophy first published by charles scribner s sons 65 copyright libri gmbh all rights reserved
