deals with the years immediately preceding the partition of india and takes up issues of land language immigration and identity in assam where they continue to occupy public space the effects of the partition continue to hang as a spectre over the entire region in assam s case its recent history seems to have subsumed its glorious past with geography playing a crucial role in determining its present position vis a vis the indian state the author outlines the present contentious issues in the state which seem to defy any solution and which are increasingly adding to the growing human tragedy of the region in the light of developments which occurred in the pre and post partition years

this book is an ethnography of the cultural politics of native non native relations in a small interior bc city williams lake at the height of land claims conflicts and tensions furniss analyses contemporary colonial relations in settler societies arguing that ordinary rural euro canadians exercise power in maintaining the subordination of aboriginal people through common sense assumptions and assertions about history society and identity and that these cultural activities are forces in an ongoing contemporary system of colonial domination she traces the main features of the regional euro canadian culture and shows how this cultural complex is thematically integrated through the idea of the frontier key facets of this frontier complex are expressed in diverse settings casual conversations among euro canadians popular histories museum displays political discourse public debates about aboriginal land claims and ritual celebrations of the city s heritage in each setting furniss shows how these cultural practices contribute to the marginalization of area shuswap sepwecemc tsilhqot in chilcotin and carrier peoples and how area native people are continually engaging in diverse and innovative modes of resistance to the dominant regional culture

germans are often accused of failing to take responsibility for nazi crimes but what precisely should ordinary people do differently indeed scholars have yet to outline viable alternatives for how any of us should respond to terror and genocide and because of the way they compartmentalize everyday life our discipline bound analyses often disguise more than they illuminate written by a historian literary critic philosopher and theologian the happy burden of history takes an integrative approach to the problem of responsible selfhood exploring the lives and letters of ordinary and intellectual germans who faced the ethical challenges of the third reich it focuses on five typical tools for cultivating the modern self myths lies non conformity irony and modeling the authors carefully dissect the ways in which ordinary and intellectual germans excused their violent claims to mastery with a sense of sovereign impunity they then recuperate the same strategies of selfhood for our contemporary world but in ways that are self critical and humble the book shows how viewing this problem from within everyday life can empower and encourage us to bear the burden of historical responsibility and be happy doing so

originally published in 1988 the burden of german history 1919 45 examines the vast literature surrounding weimar years and the national socialist tragedy daunting even for the specialist historian or political scientist the essays included in this volume provide an invaluable guide to research of the time and provides a stimulating review of a wide range of topics in modern german cultural political economic and military history the essays are based on a series of lectures given by german and irish scholars to a conference on the theme weimar germany and national socialism which was held in march 1986 in university college dublin under the auspices of the goethe institute dublin this book offers a significant commentary on a period of german history which included the exciting and ambivalent freedom of the weimar society and the repressive murderous uniformity of national socialism

themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic christian faith themelios is published three times a year online at the gospel coalition thegospelcoalition.org themelios and in print by wipf and stock its primary audience is theological students and pastors though scholars read it as well themelios began in 1975 and was operated by rtsf uccf in the uk and it became a digital journal operated by the gospel coalition in 2008 the editorial team draws participants from across the globe as editors essayists and reviewers general editor brian tabb bethlehem college and seminary contributing editor d a carson trinity evangelical divinity school consulting editor michael j ovey oak hill theological college administrator andrew david naselli bethlehem college and seminary book review editors jerry hwang singapore bible college alan thompson sydney missionary bible college nathan a finn southeastern baptist theological seminary hans madueme covenant college dane ortlund crossway jason sexton golden gate baptist seminary editorial board gerald bray beeson divinity school lee gatiss wales evangelical school of theology paul helseth university of northwestern st paul paul house beeson divinity school ken magnuson the southern baptist theological seminary jonathan pennington the southern baptist theological seminary james robson wycliffe hall mark d thompson moore theological college paul williamson moore theological college stephen witmer pepperell christian fellowship robert yarbrough covenant seminary

this study establishes that the political economic and military technological changes that transform the international system also alter the way in which a state views its and others responsibilities and burdens for responding to international crises it assesses the distribution of the costs of raising and supporting arms of service the risks of deploying them overseas and using them in combat or peace operations and the extent to which members have a responsibility for maintaining international order in the context of three instances of multinational military intervention the multinational force deployment in lebanon in 1982 83 the first persian gulf war in 1990 91 and the un and nato intervention in bosnia herzegovina

for the first time the true story of the yellow rose of texas is told in full revealing a host of new insights and perspectives on one of america s most popular stories for generations the yellow rose of texas has been one of america s most popular western myths growing larger over time and little resembling the truth of what happened on april 21 1836 at the battle of san jacinto where a new texas republic won its independence the woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the north emily d west this work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth

back in print after more than a decade the singular chronicle of life at the forefront of antiracist activism with a new introduction and afterword by the author mab segrest s book is extraordinary it is a political memoir but its language is poetic and its tone passionate i started it with caution and finished it with awe and pleasure howard zinn in 1994 mab segrest first explained how she had become a woman haunted by the dead against a backdrop of

nine generations of her family's history segrest explored her experiences in the 1980s as a white lesbian organizing against a virulent far right movement in north carolina memoir of a race traitor became a classic text of white antiracist practice bell hooks called it a courageous and daring example of the reality that political solidarity forged in struggle can exist across differences adrienne rich wrote that it was a unique document and thoroughly fascinating juxtaposing childhood memories with contemporary events segrest described her journey into the heart of her culture finally veering from its trajectory of violence toward hope and renewal now amid our current national crisis driven by an increasingly apocalyptic white supremacist movement segrest returns with an updated edition of her classic book with a new introduction and afterword that explore what has transpired with the far right since its publication the book brings us into the age of trump and to what can and must be done called a true delight and a must read minnesota review memoir of a race traitor is an inspiring and politically potent book with brand new power and relevance in 2019 this is a book that far transcends its genre

the blackwell companion to american regional literature is the most comprehensive resource yet published for study of this popular field the most inclusive survey yet published of american regional literature represents a wide variety of theoretical and historical approaches surveys the literature of specific regions from california to new england and from alaska to hawaii discusses authors and groups who have been important in defining regional american literature
